

<i>Elodina parthia</i> (Hewitson)	May
<i>Elodina padusa</i> (Hewitson)	December to May
<i>Delias argenthona argenthona</i> (Fabricius)	November
<i>Delias aganippe</i> (Donovan)	November to December
<i>Anaphaeis java teutonia</i> (Fabricius)	All months except May to July

Nymphalidae

<i>Danaus plexippus plexippus</i> (Linnaeus)	December
<i>Danaus chrysippus petilia</i> (Stoll)	November to January
<i>Danaus hamatus hamatus</i> (W. S. Macleay)	December, January
<i>Euploea core corinna</i> (W. S. Macleay)	October, November to April
<i>Hypocysta metirius</i> Butler	December, January
<i>Hypocysta pseudirius</i> Butler	December, January
<i>Heteronympha merope merope</i> (Fabricius)	December
<i>Polyura pyrrhus sempronius</i> (Fabricius)	December, February, April
<i>Hypolimnas bolina nerina</i> (Fabricius)	December
<i>Vanessa kershawi</i> (McCoy)	November to March
<i>Vanessa itea</i> (Fabricius)	December to May
<i>Precis villida calybe</i> (Godart)	October to May
<i>Acraea andromacha andromacha</i> (Fabricius)	December, January

Lycaenidae

<i>Lucia limbaria</i> Swainson	May
<i>Nacaduba biocellata biocellata</i> (C. & R. Felder)	November to March
<i>Syntarucus plinius pseudocassius</i> (Murray)	November
<i>Lampides boeticus</i> (Linnaeus)	December, January
<i>Neolucia serpentata serpentata</i> (Herrich-Schaffer)	All months except May to Aug.
<i>Zizina otis labradus</i> (Godart)	November to March

1976. Current status of genetic control of the Australian sheep blowfly, *Lucilia cuprina* (Wiedemann) (Diptera: Calliphoridae). *Proc. 15th Int. Cong. Ent.*: 129-139.

Bibliography of the Australian Butterflies

239 pages with over 2,000 references and abstracts

This bibliography attempts to list all publications concerning Australian butterflies that appeared up to and including 1973. Species mentioned in smaller works are listed and bibliographical notes concerning dates of publication, notes on voyages and other points of interest are given. All those seriously interested in Australian butterflies, both amateur and professional, will find this comprehensive text of considerable value.
